Established in 1983, the Douglas County 4-H Foundation supports the work of the Douglas County 4-H Youth Development programs. The Foundation raises funds to assist, maintain, and grow the Douglas County 4-H Program. Financial support from the Foundation allows the K-State Research and Extension office in Douglas County to provide more opportunities for youth, volunteers, and alumni.

Support of gracious donors allows the Foundation to annually award more than **\$20,000 in college scholarships** to 4-H alumni and over **\$7,000** to enhance 4-H Youth and Development programs in Douglas County.

Financial gifts to the Douglas County 4-H Foundation supports the expansion of programs that contribute to the growth and development of the next generation of leaders. Each donation – regardless of size – is greatly appreciated and provides funding to expand programs.

You can designate your gift for a specific purpose or allow it to be used as needed to enhance the 4-H experiences for Douglas County youth. Please keep the Foundation in mind when considering **estate planning** for yourself or **memorials** for loved ones.
